President's Message

This is one of my favorite times of year, with the changing colors and cooler weather. This is also the season I start craving pumpkin pie, pumpkin ice cream or pumpkin latte... yummy!

And our speakers on October 18 reminded me of why SIGS lunch programs are my favorite as well. The founder of Sunburst and one of her clients were inspirational. They presented us information on its

services to women and children with HIV that was powerful. The client, in her first public sharing of her story, talked about her struggle to achieve her dreams from day to day survival in refugee camps, to coming to this country, to graduating from college, to becoming a mom. She was funny and uplifting. After her speech, many of us had a smile on our face, knowing that she is on the right track and she is going to do well. Sunburst Projects provided her the opportunities to education to better her life, right in line with Soroptimism.

And, this special luncheon inspired me to write about the art of professionalism and the importance of being courteous to our speakers and to each other. We decided this year wait until after our speakers to do club business. After all, it is the speakers that interest our members to come to the lunch meetings. They put their busy schedules aside to come to talk to us!

Therefore, let's all wait until after the program to make announcements about activities and events. Join me in making them feel welcome, and after they talk, we'll let them have a moment to relax and all of us can enjoy our lunch. And then we'll move on to club announcements and business. Thanks for your support!

Do You Have Your Clearance Certificate?

Please note that it is SIA policy that no member or other volunteer associated with our club may participate in any project involving minors unless they have a Clearance Certificate. This includes "SIGSMen", your children, friends, etc. Most of us received a certificate last year when this policy became effective.

So if you'd like to bring a friend/family member to help with the upcoming Craft Party, or if you would like to participate yourself but don't yet have a certificate, get one! It's easy! Just ask Jean or Stephanie to send you the "Preventing Child Sexual Abuse Within Youth-Serving Organizations" pamphlet and fill out a one-page authorization. We just need your name, social security number, date of birth and signature (info is filed in a locked cabinet). There is a one-time \$8 fee for non-members.

Jean will then send your info to "Info Cubic", an online firm that will verify that the applicant is not a registered sex offender in California. No other personal information is obtained. Jean will then email you your Clearance Certificate.

All volunteers associated with our club who will be present at the Craft Faire when children are present must have this certificate or unfortunately they cannot participate. Jean must receive your application **by November 30th** for those wanting to participate in the Craft Party. If you're not sure if you already have a certificate, ask Jean.

Donate Items for Women's Empowerment Holiday Stockings

It's that time of year again; it's not too early to shop for Women's Empowerment Holiday Stockings. Every year SIGS commits to providing holiday stockings for Santa to pass out at the WE Holiday Craft Party. This year we are looking to provide 60 Stockings, so two per member, if you can. For a refresher, this is how it works:

1. Choose which type of stocking(s) you would like to provide (see the list below)
2. Buy and bring the items to the December 8 meeting in a bag identifying which age group the stocking is for.

It's that simple. SIGS provides Target gifts cards and through our Snack and Sew committee, the empty stockings. If you have any questions, please contact Laurie Bowling or Faye Holliman

Healing Thoughts and Support to

Penny Brown has had a diagnosis of MS and is finishing treatment of high dosage steroids. She reported to Alice Carney, our personal connections chair, that physical therapy is going well, but

"issues with balance and numbness in whole right leg and foot and left foot will take time and may not get all feeling back. I have good exercises and was told to be active without fatiguing myself. It's hard to do because I'm feeling better and need to be very cautious and go slow – it's time to learn my limits. I want to be a resource as needed, but need to take it slow. Please feel free to share with the club and hope to see you all soon."

Lunch & Meetings

Piatti Ristorante, The Pavilions, Fair Oaks Blvd.

Cost: \$22

The cost is \$22 and will cover our own lunches as well as the those of our speakers and guests who are potential members. Checks or correct change will be greatly appreciated!

Please make your reservations by Friday before the meeting in order to assure an accurate count to Piattis and to make it easy to have an adequate number of tables and chairs. We don't want to discourage last minute attendance by you or guests, but please have it be the exception and not the rule.

Cancellations and No-Shows: notify Roni Bowling as soon as possible and she will do what she can to avoid the cost to the restaurant and to you.
